**Subject:** Re: Certification CPARD numbers

Hi Blake,

Sorry for the delay, we're very short staffed right now and updating the C&T numbers from past years is not our top priority at the moment.

I'll try and get to it by the end of December when I'm able to work through and complete the EOY report. Any C&T correspondence should come to me, as I am covering these duties at this time.

Thank you,

John W. Scott  
Pesticides Program Manager, Section Chief

Hi,

It looks like we are still missing CPARD information. I know there is some gaps with who is working on certification, so I am sending this to a few people (please forward to anyone I may have missed). Would you give us an update on when you think Colorado will be able to provide numbers?

Thanks,

Blake Huff

**Subject:** RE: HQ-Regions Certification Plan Work Group

All,

FYI. Here's an update on the status of states that have not submitted their 2016 and 2017 CPARD numbers to us yet. The following states have still not reported:

Alaska (R10)

Arizona (R9)

California (R9)

Colorado (R8)

Connecticut (R1)

Iowa (R7)

Kansas (R7)

Louisiana (R6)

Navajo (R9)

New Jersey (R2)

Oklahoma (R6)

Oregon (R10)

Pacific Islands (R9)

Rhode Island (R1)

Texas (R6)

Tribes (R8 and R10)

Utah (R8)

If you are one of the Regions listed with states (or tribes or territories) still missing, please contact the state (or tribes or territories) and remind them the CPARD numbers are past due. Thanks!

Richard Pont
